	Title	Current OR	Current XRef
1	Methods and apparatus for recording digital data including sync block and track number information for use during trick play operation	386/68	386/81
2	Method and apparatus for controlling the position of the heads of a digital video tape recorder during trick play operation and for recording digital data on a tape	386/68	386/69; 386/79
3	Video recording device compatible transmitter	386/68	386/67
4	Methods and apparatus for recording data on a digital storage medium in a manner that facilitates the reading back of data during trick play operation	386/68	386/67
5	Method and apparatus for selecting encoded video data for use during video recorder trick play operation	386/68	386/109
6	Trick play data indentification methods and apparatus for use with digital video recording and playback devices	386/68	386/67
7	Digital video recording device with trick play capability	386/81	386/124
8	Digital recording and playback device error correction methods and apparatus for use with trick play data	386/81	
9	Method and apparatus directed to processing trick play video data to compensate for intentionally omitted data	386/68	386/109; 386/113
10	Digital video recorder compatible receiver with trick play image enhancement	386/81	386/124
